ABITARE China #34 HUTONG | BJDW2013

September 2013

《ABITARE 住》'Hutong/adaptation' | Guest-edited by MovingCities

The special issue of ABITARE China magazine - HUTONG /Adaptation, guest-edited by MovingCities – was launched on Saturday September 28th, at Dashilar Factory's Auditorium [No. 8. Dawailangying Hutong, Dashilar 大栅栏]. Part of **Beijing Design Week 2013** series of events, MovingCities presented the magazine, its contents and the idea behind the keyword 'HUTONG' /Adaptation.

*"We cordially invite you to attend our special events, on the occasion of Beijing Design Week 2013. All events are presented on the occasion of **ABITARE China** magazine summer issue which, customarily rooted in the exploration of selected themes around specific 'key words', has taken {hutong} as springboard for an investigation of Beijing's historical urban tissue, its past, present and preservation (Guest edited by MovingCities)."*
